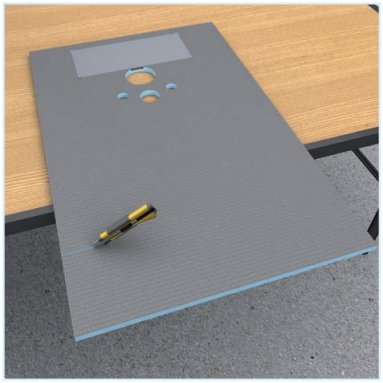
wedi I-Board® & wedi I-Board® Plus

WC dry wall installation cladding for tiles, plaster and mosaic

The fully prepared solution for cladding WC dry wall installations. The wedi I-Board is suitable for large-format tiling, whilst the wedi I-Board Plus, thanks to a pre-integrated reinforcement plate, can be plastered or tiled with mosaic from 2 x 2 cm.



Cut precisely to size…

…screw or bond and reinforce…

…plaster or tile, done!

The variants compared

Both solutions include all components required for quick and easy cladding of WC dry wall installations. The choice of the right cladding element depends on the final surface design, e.g. small or large-format tiles, mosaic or plaster.
